Can't help falling in love

(Elvis Presley)

Wise men say
Only fools rush in
But I can't help falling in love with
you
Shall I stay?
Would it be a sin
If I can't help falling in love with
you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with
you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with
you
For I can't help falling in love with
you

Angie (The Rolling Stones)

Angie, Angie
When will those clouds all
disappear?
Angie, Angie
Where will it lead us from here?
With no lovin' in our souls

And no money in our coats
You can't say we're satisfied
Angie, Angie
You can't say we never tried

Angie, you're beautiful, yeah
But ain't it time we said
goodbye?
Angie, I still love you
Remember all those nights we
cried?
All the dreams were held so close
Seemed to all go up in smoke
Let me whisper in your ear
Angie, Angie
Where will it lead us from here

Oh, Angie, don't you weep
Oh, your kisses still taste sweet
I hate that sadness in your eyes
But Angie, Angie
Ain't it time we said goodbye?
Yeah

With no lovin' in our souls
And no money in our coats
You can't say we're satisfied
Angie, I still love you, baby
Everywhere I look, I see your eyes
There ain't a woman that comes
close to you
Come on, baby, dry your eyes
Angie, Angie
Ain't it good to be alive?
Angie, Angie
They can't say we never tried

Chasing Cars (Snow Patrol)

We'll do it all
Everything
On our own

We don't need
Anything
Or anyone

If I lay here
If I just lay here
Would you lie with me and just
forget the world?

I don't quite know
How to say
How I feel

Those three words
Are said too much
They're not enough

If I lay here
If I just lay here
Would you lie with me and just
forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting
into life

Let's waste time
Chasing cars
Around our heads

I need your grace
To remind me
To find my own

If I lay here
If I just lay here

Would you lie with me and just
forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting
into life

All that I am
All that I ever was
Is here in your perfect eyes,
they're all I can see

I don't know where
Confused about how as well
Just know that these things will
never change for us at all

If I lay here
If I just lay here
Would you lie with me and just
forget the world?

Love of my life (Queen)

Love of my life, you've hurt me
You've broken my heart
And now you leave me
Love of my life, can't you see?

Bring it back, bring it back
Don't take it away from me
Because you don't know
What it means to me

Love of my life, don't leave me
You've taken my love (my love)
And now desert me
Love of my life, can't you see?
(Please bring it back)

Bring it back, bring it back (back)
Don't take it away from me (take

it away from me)
Because you don't know (ooh-
ooh-ooh know)
What it means to me (means to
me)

You will remember
When this is blown over
And everything's all by the way
(ooh)
When I grow older (yeah)
I will be there at your side (ooh)
To remind you how I still love you
(to remind you)
(I still love you)

Back, hurry back (back, back)
Please, bring it back home to me
(bring it back home to me)
Because you don't know (ooh-
ooh-ooh know)
What it means to me (means to
me)

Love of my life
Love of my life
(Ooh, ooh)

Don't look back in anger (Oasis)

Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd never been
But all the things that you've
seen
Slowly fade away

So I start a revolution from my
bed
'Cause you said the brains I had
went to my head

Step outside, summertime's in
bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my
heart out

And so Sally can wait
She knows it's too late
As we're walking on by
Her soul slides away
But don't look back in anger
I heard you say

Take me to the place where you
go
Where nobody knows
If it's night or day
But please don't put your life in
the hands
Of a rock and roll band
Who'll throw it all away

I'm gonna start a revolution from
my bed
'Cause you said the brains I had
went to my head
Step outside 'cause
summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
'Cause you ain't ever gonna burn
my heart out

And so Sally can wait
She knows it's too late
As she's walking on by
My soul slides away
But don't look back in anger
I heard you say

So Sally can wait
She knows it's too late

As we're walking on by
Her soul slides away
But don't look back in anger
I heard you say

So Sally can wait
She knows it's too late
As she's walking on by
My soul slides away
But don't look back in anger
Don't look back in anger
I heard you say
At least not today

I just called to say I love you (Stevie Wonder)

No New Year's Day to celebrate
No chocolate covered candy
hearts to give away
No first of spring, no song to sing
In fact, here's just another
ordinary day

No April rain, no flowers bloom
No wedding Saturday within the
month of June
But what it is, is something true
Made up of these three words
that I must say to you

I just called to say I love you
I just called to say how much I
care
I just called to say I love you
And I mean it from the bottom of
my heart

No summer's high, no warm July
No harvest moon to light one
tender August night
No autumn breeze, no falling

leaves
Not even time for birds to fly to
southern skies

No Libra sun, no Halloween
No giving thanks to all the
Christmas joy you bring
But what it is, though old, so new
To fill your heart like no three
words could ever do

I just called to say I love you
I just called to say how much I
care, I do
I just called to say I love you
And I mean it from the bottom of
my heart

I just called to say I love you
I just called to say how much I
care, I do

I just called to say I love you
And I mean it from the bottom of
my heart

Of my heart
Of my heart (baby, of my heart)

I was made for lovin' you (Kiss)

Mmm, yeah!

Tonight, I want to give it all to you
In the darkness, there's so much I
want to do
And tonight, I want to lay it at
your feet

'Cause girl, I was made for you
And girl, you were made for me

I was made for lovin' you, baby
You were made for lovin' me

And I can't get enough of you,
baby
Can you get enough of me?

Tonight, I want to see it in your
eyes
Feel the magic, there's
something that drives me wild
And tonight, we're gonna make it
all come true

'Cause girl, you were made for
me
And girl, I was made for you

I was made for lovin' you, baby
You were made for lovin' me
And I can't get enough of you,
baby
Can you get enough of me?

I was made for lovin' you, baby
You were made for lovin' me
And I can give it all to you, baby
Can you give it all to me?

Oh, can't get enough
I can't get enough
I can't get enough

I was made for lovin' you, baby
You were made for lovin' me
And I can't get enough of you,
baby
Can you get enough of me?

Oh, I was made
You were made
I can't get enough
No, I can't get enough
I was made for lovin' you, baby

Love me tender

(Elvis Presley)

Love me tender, love me sweet,
Never let me go.
You have made my life complete,
And I love you so.

Love me tender, love me true,
All my dreams fulfill.
For my darlin' I love you,
And I always will.

Love me tender, love me long,
Take me to your heart.
For it's there that I belong,
And we'll never part.

Love me, tender love me true,
All my dreams fulfill.
For my darlin' I love you,
And I always will.

Love me tender, love me dear,
Tell me you are mine.
I'll be yours through all the years,
Till the end of time.

Love me, tender, love me true,
All my dreams fulfill.
For my darlin' I love you,
And I always will.

Something (The Beatles)

Something in the way she moves
Attracts me like no other lover
Something in the way she woos
me
I don't want to leave her now
You know I believe and how

Somewhere in her smile she
knows
That I don't need no other lover
Something in her style that shows
me

I don't want to leave her now
You know I believe and how

You're asking me will my love
grow

I don't know, I don't know
You stick around, now it may
show
I don't know, I don't know

Something in the way she knows
And all I have to do is think of her
Something in the things she
shows me
I don't want to leave her now
You know I believe and how

Wonderful tonight

(Eric Clapton)

It's late in the evening
She's wondering what clothes to
wear
She puts on her make up
And brushes her long blonde hair

And then she asks me, "Do I look
alright?"

And I say, "Yes, you look
wonderful tonight"

We go to a party
And everyone turns to see
This beautiful lady
That's walking around with me

And then she asks me, "Do you
feel alright?"
And I say, "Yes, I feel wonderful
tonight"

I feel wonderful
Because I see the love light in
your eyes
And the wonder of it all
Is that you just don't realize how
much I love you

It's time to go home now
And I've got an aching head
So I give her the car keys
She helps me to bed

And then I tell her, as I turn out
the light
I say, "My darling, you are
wonderful tonight"
Oh my darling, you are wonderful
tonight
